

Town of South Bethany
South Bethany Charter and Code Committee (SBCCC) Report
November 12th, 2021

The SBCCC met in person on October 15th at Town Hall.

All committee members except Derek Abbot were present, he attended by remote access. Code enforcement constable Joe Hinks also attended. No members of the public were present.

Meeting notes from the August 20th meeting were amended and accepted,

Code changes to permit structures in the rear setback area of properties on the West side of Route 1 were approved and will be written up and forwarded to the council for a first reading.

Joe Hinks explained about permeable pavers and asked to have code changes to allow for them in the Town's right of way along the front of properties. This request will also be worked on and forwarded to the Council for a first reading.

Due to the limited remaining scheduled meetings for the committee's term, it was decided that the issue of adding to the committee membership would be postponed until the next organizational interval beginning in April of 2022.

The SBCCC will continue to meet, every other month, on the third Friday of the month at 2:00pm EST. The remaining meeting dates are:

December 17th, February 18th and April 15th

Additional meetings may be scheduled if the workload requires this.

The public is always welcome to attend these meetings and time will be set aside for public comment.

Tim Shaw – Committee Chair
